A Great Public Sale Offering

This is a choice offering. The females are above average levels in merit, blood lines, quality, and usefulness. The heifers by Villager's Monarch are splendid specimens, fine types, well grown out, and the making of real breeding matrons. The older females are as good as one would care to look at. Their qualities of form and character, the evidence of their health and thrift is an impression that will convince of their value and worth in the hands of a good cattleman. This auction, therefore, will distribute choice seedstock. These females are top females. Those of imported parentage have come from Britian's best nurseries, and the use of such bulls upon them as Villager's Monarch has enhanced their worth in the minds of those who know what such blood stands for, and what it has accomplished in bettering breed conditions in this country. The Villager blood that is so profusely represented should be given the attention that it deserves. It is blood that is universally respected and the intelligence of the Shorthorn fraternity is in complete accord with the statement. The Villager Shorthorn does not need anyone to fight its battles. It is a type that will always compel attention, and an infusion of this blood in anyone's herd will have its effect. If in the market for desirable bulls, and females, bear in mind that this is a rare chance to secure them. These cattle will sell within your means. They are the right kind. A substantial firm is back of them.

Good men breed good cattle. The public can safely buy in such an auction. Come and bring your friends.

Francis T. Martin of The Breeder's Gazette.

Terms and Conditions

Terms cash unless other arrangements have been made before the sale.

GUARANTEE: All animals are guaranteed breeders if properly cared for but do not guarantee bulls if permitted to run at large with the herd.
